Partner with the Children’s Cardiomyopathy Foundation

Cardiomyopathy is the leading reason for heart transplants and sudden cardiac arrest in children. Help support research and education on pediatric cardiomyopathy, and together we can see the day when more lives will be saved, and every affected child will have a chance to live a full and active life.

About CCF

– The only national non-profit organization focused on pediatric cardiomyopathy – a chronic and potentially life-threatening heart disease
– Founded fourteen years ago by one dedicated family and now represents a global community of families from 60 countries
– Dedicated to finding causes and cures through the support of research, education, and increased awareness and advocacy

About the Event & Attendees

– To be held July 24, 2017 at the historic Montclair Golf Club in New Jersey
– In 2016, nearly 200 attended from the tri-state area to raise $325,000
– Included 55 sponsors such as top name law firms and financial service companies
– Primarily high net worth individuals with extensive professional and personal networks

Partner Benefits

– Auction donors recognized in the event program, auction handout and table signage
– Option to display handouts and materials at the auction table for maximum brand exposure
– Sponsors recognized with event signage and program ads, and acknowledged in CCF’s newsletter and website.
– A tax-deductible gift that goes towards a reputable charity and meaningful cause

How Your Donation Helps

– Funds promising research studies and scientific workshops aimed at improving diagnosis, treatment and quality of life for children with cardiomyopathy
– Ensures that relevant information, resources and guidance are provided to affected families in need
– Enables the development and distribution of educational materials to more than 70 children’s hospitals in the U.S. and Canada
