

Partner with the Children's Cardiomyopathy Foundation

Cardiomyopathy is the leading reason for heart transplants and sudden cardiac arrest in children. Help support research and education on pediatric cardiomyopathy, and together we can see the day when more lives will be saved, and every affected child will have a chance to live a full and active life.

About CCF

- CCF is the only national non-profit organization focused on pediatric cardiomyopathy – a chronic and potentially life-threatening heart disease.
- Founded seventeen years ago by one family, it has expanded to become a global community of families from 60 countries.
- CCF is dedicated to finding causes and cures through the support of research, education, and increased awareness and advocacy.

About the Event & Attendees

- The event will be held at the prestigious Ridgewood Country Club in Northern New Jersey on July 22, 2019.
- In 2018, 200 registered from the tri-state area to raise \$350,000.
- 60 sponsors consisting of top name law firms and financial service companies supported the event.
- Primarily high net worth individuals with extensive professional networks attend the event.

Partner Benefits

- Auction donors will be recognized in the event program, auction handout, and table signage.
- In-kind donors have the option to display handouts and materials at the auction table for maximum brand exposure.
- Sponsors are recognized with event signage and program ads at the event, and acknowledged on CCF's newsletter and website.
- Contributions are a tax-deductible gift that goes towards a reputable charity and meaningful cause.

How Your Donation Helps

- It funds promising research studies and scientific workshops aimed at improving diagnosis, treatment, and quality of life for children with cardiomyopathy.
- It enables the development and distribution of educational materials to more than 70 children's hospitals in the U.S. and Canada.
- Your donation ensures that relevant information, resources, and guidance are provided to affected families in need.
